SUBJECT	Revised Real Property Summary		
ACTION REQUIRED - REFERENCES			
REFERENCE: [REDACTED] 25X1A			
<p>1. Two copies of your updated Real Property Summary are being transmitted under separate cover. These copies should be maintained on a current basis. One copy showing all changes through the end of November 1970 is to be returned to Headquarters early in December in order that our records may be revised on a semiannual basis. The second copy is to be retained for your records.</p> <p>2. The exemption requested in paragraph 4 of the Reference is granted. When this information is required you will be notified.</p> <p>3. Your attention is called to the following entries on your Summary:</p> <p>a. Property Nos. 626, 694, and 695 are designated as "land" in Column F, Use, and "assigned land constructed building" in Column M, Acquisition Method. These entries should be corrected to include the building description and cost of construction. Only when the land area is more than one acre should it be recorded on a separate line.</p> <p>b. Column O, Initial Acquisition Costs: On Property No. 693 construction costs should be inserted.</p> <p>c. Column I, Quantity: Property No. 599 is designated as land. All land areas should be reported in acres. When the land area is less than one acre this column should be left blank.</p> <p>d. Property No 333 is described as eight dormitory buildings and land. This property should be listed on two lines; one for the land and one for the building description.</p>
